

# Free Trial Screener Testing Instructions

## Remote Testing

# Requirements

- 2 iPads or 2 Chromebooks
  - Device one (teacher) is used for scoring and recording student responses
  - Device two (student) is used to display words for the student to read aloud
    - The student can also use a smart phone

# Step 1: Teacher Set Up

Go to <https://app.keyphonics.org/> and select “Teacher Login”  
Login using email and password

# Step 2: Teacher Set Up

Select “Screeener Testing”

The screenshot displays the KeyPhonics website interface. At the top left is the logo for KeyPhonics, with the tagline "Screen Diagnose Teach". To the right of the logo is a navigation menu with the following items: Home, Screener, Diagnostic, Reports, Help, and Logout. Below the navigation bar, there are three main content cards. The first card, titled "Screeener Testing", features a background image of a young child writing and is circled in red. The second card, titled "Dlagnostic Testing", features a background image of a stack of books. The third card, titled "Reports", features a background image of a pencil holder with several pencils.

# Step 3: Teacher Set Up

Select options for Screener Testing, then click “NEXT”

# Step 3: Teacher Set Up Cont.

The teacher device will now show the code for the student device. Send/give code to student. The code MUST be entered on the student's device before selecting "Begin Test"

The screenshot shows the KeyPhonics interface. At the top left is the logo "KeyPhonics" with the tagline "Screen Diagnose Teach". To the right are navigation links: "Home", "Screener", "Diagnostic", "Reports", "Help", and "Logout". The main content area displays a generated code "TI1596478202BP". Below this, a message reads: "Please enter the generated code below on the student device to begin the Diagnostic testing." A text input field contains the code "569564", which is circled in red. Below the input field, another message states: "Once verification code is entered the student screen will say 'Please wait' until the testing is started by selecting BEGIN TEST on teacher's device." At the bottom, there are two buttons: a blue "Begin Test" button and an orange "VIEW INSTRUCTIONS" button.

**TI1596478202BP**

Please enter the generated code below on the student device to begin the Diagnostic testing.

569564

Once verification code is entered the student screen will say "Please wait" until the testing is started by selecting BEGIN TEST on teacher's device.

**Screener Instructions:**

**SCREENER DIRECTIONS:**  
Read the following paragraph to your student before selecting **Begin Test** on your device.  
“I want you to read some words to me. These are not real words, except for the last screen. The rest are ALL made-up words. I want you to try your best to read each made-up word. You will see a set of words on each screen. Start with the first word and read down the list. Be sure to do your best reading. Any questions? Look at your screen to see the first list. Please begin.”

**Scoring:**  
SCORE ONLY THE FIRST RESPONSE (NO SELF CORRECTIONS). MUST BE READ AS WHOLE WORD. CAN BE SCORED AT THE WORD OR LETTER(S) LEVEL.

**Begin Test**

# Step 6: Teacher Set Up Cont.

The teacher device will now look like this

The screenshot shows the KeyPhonics teacher interface. At the top, there is a navigation bar with the logo and links for Home, Screener, Diagnostic, Reports, Help, and Logout. Below the navigation bar, the test ID is displayed as MOY-TI1596479715IK. A Notes section is visible on the left. The main content area displays three phonics words: 'deg', 'thod', and 'vur'. Each word is presented with its individual letters in boxes, followed by a green box, a red box, and a yellow 'Skip' button. Below each word is a small label: '(beg)' for 'deg', '(rod)' for 'thod', and '(bur)' for 'vur'. At the bottom right, there is a '1 of 12' indicator and a 'NEXT' button.

The student device will now look like this

The screenshot shows the KeyPhonics student interface. At the top, there is a navigation bar with the logo and a user icon. The main content area displays the three phonics words: 'deg', 'thod', and 'vur' stacked vertically.

# Step 7: Administering the Test

- Students are given 3 seconds to read each word
  - The orange blinking dot is a visual cue that blinks in one second increments
- As the student reads the words, mark the words according to the instruction box
  - The instruction box can be closed by clicking the “x”

The screenshot displays a test interface for word recognition. At the top right, the text "Test Id: MOY-TI1593201914HS" is visible. Below this is a "Notes" section with a text input field. The main area shows three words: "deg", "thod", and "vur". Each word is presented with its letters in individual boxes, a speaker icon, and a set of colored boxes (green, red, yellow) for marking. The word "deg" has a green box under 'e' and a red box under 'g'. The word "thod" has a green box under 'o' and a red box under 'd', with a yellow "Skip" button to the right. The word "vur" has a green box under 'u' and a red box under 'r', with a yellow "Skip" button to the right. An instruction box is overlaid on the right side, containing the following options: a slash icon for "SELECT INCORRECT LETTER, A '/' WILL APPEAR", a red 'X' icon for "SELECT RED BOX (INCORRECT WORD)", a green checkmark icon for "SELECT GREEN BOX (CORRECT WORD)", and a yellow circle icon for "SKIP (SKIP WORD)". A red circle with an 'X' is positioned at the top right of the instruction box, indicating the close button. A yellow circle with a dot is at the top left of the interface, indicating the visual cue. Arrows from the text on the left point to these two elements.

1 of 12 [NEXT](#)

# Step 7: Administering the Test Cont.

- To help with the correct pronunciation, there is a rhyming word below each nonsense word
- To hear the correct pronunciation, click the microphone icon
  - Please wear a headset so the student does not hear the word

The screenshot displays a test interface with the following elements:

- Test Id:** MOY-TI1590690616ZL
- Notes:** A text input field.
- Word 1:** A nonsense word 'deg' is shown in an orange box. Below it are the letters 'd', 'e', 'g' in white boxes. To the right are a green box, a red box, and a yellow 'Skip' button. A microphone icon is to the left of the letters. A rhyming word '(beg)' is circled in red below the 'e'.
- Word 2:** A nonsense word 'thod' is shown in a red box. Below it are the letters 'th', 'o', 'd' in white boxes. To the right are a green box, a red box, and a yellow 'Skip' button. A microphone icon is to the left of the letters. A rhyming word '(rod)' is below the 'o'.
- Word 3:** A nonsense word 'vur' is shown in a red box. Below it are the letters 'v', 'ur' in white boxes. To the right are a green box, a red box, and a yellow 'Skip' button. A microphone icon is to the left of the letters. A rhyming word '(bur)' is below the 'ur'.
- Page Info:** '1 of 12' and a blue 'NEXT' button.

# Step 7: Administering the Test

## SELECT INCORRECT LETTER

The screenshot displays a test interface for the word "deg". The word is presented in three rows: "deg" (with a slash over the 'e'), "thod", and "vur". Each row includes a speaker icon, the word, and a set of colored boxes (green, red, yellow) for selection. A legend on the left explains the selection options: a slash for selecting an incorrect letter, a red box for an incorrect word, a green box for a correct word, and a yellow circle for skipping a word. An information icon in the top right corner is circled in red, and a text box explains that clicking it reopens the instruction box.

1 of 12 NEXT

# Step 7: Administering the Test Cont.

- Notes can be added by clicking the orange box, selecting the word, and typing the note
- Once you are done marking the words, click “NEXT” to advance to the next set of words
  - This will also advance the student’s screen
- Repeat step 7 until the test is complete

The screenshot displays a test interface for 'Test Id: MOY-TI1593201914HS'. At the top, there is a 'Notes' section with a text input field containing 'a instead of e' and an orange box labeled 'deg' with an information icon. Below this, three word cards are shown: 'deg' (with a slash over the 'e'), 'thod', and 'vur'. Each card includes a speaker icon, the word, its phonetic transcription, and a set of colored buttons (green, red, yellow) for interaction. At the bottom right, a blue 'NEXT' button is visible, along with the text '1 of 12'. A red circle highlights the 'NEXT' button. A red box highlights the 'Notes' section. A black arrow points from the 'NEXT' button to the 'Notes' section, and another black arrow points from the 'Notes' section to the 'NEXT' button.

# Step 8 : Viewing Reports

Once the Screener Test is complete, the following report is automatically generated

# Conclusion
